## FIFTH DISTRICT'S BIG G. O. P. MAJORITY

### Tremendous Vote Unexpected—Carries All To Victory

Sweeping the Fifth District by such a majority as has never before been recorded in the history of Louisville, Republicans have put into office every candidate on their ticket.

Headed by Mr. Morrow, the nominees for state offices have carried Louisville and Jefferson County by a majority of approximately 9,500.

The vote for all the state candidates and county nominees is very similar and shows that there was little scratching.

An overwhelming victory for James F. Grinstead and Phil A. Hunt, as county commissioners, was scored, while Major D. J. Carroll, H. O. Gray and Fred J. Drexler were elected to the park board by majorities ranging beyond 9,000. The eight legislative candidates of the party and two state senators have all scored a victory in their respective races. The Republican nominees for alderman and council have similar majorities.

#### Against Prohibition.

While reports were not complete last night, all indications were that the district has returned a decided majority against the state wide prohibition amendment. Nearly every precinct showed a majority against it. The amendment providing for the dismissal from office of any officer who loses a prisoner to a mob, carried in the district.

#### Morrow Leads Ticket.

Governor-elect Morrow had the honor of leading his ticket, his majority in the district being 9,677. Majorities in other races are as follows: S. Thurston Ballard over Shanks, 8,855.

Vaughn over Cohen, 8,997.  
Dawson over Daugherty, 8,861.  
Craig over Bosworth, 8,929.  
Wallace over Turner, 8,944.  
Colvin over Foster, 9,037.  
Hanna over Newman, 8,998.  
Speck over Goodman, 9,129.  
Cooper over Douthitt, for railroad commissioner in the Second District, 8,936.

For park commissioners, Gray wins by 8,064, Carroll by 8,129 and Drexler 8,299. The lowest Republican vote over the highest Democratic vote is a majority of 8,054. Grinstead and Hunt for county commissioners, have majorities respectively, of 9,377 and 9,264.

Mr. Morrow carried every ward in Louisville except the Seventh and carried the county by 1,152. All the other candidates carried the same wards and county by a similar majority. None of the Republican candidates carried the Seventh Ward.

The figures in all races are made with four precincts missing, one of which is the city precinct and the other three in the county.

While Republicans expected to carry Louisville and Jefferson county by a handsome majority, none of those who have directed or participated in the fight here were in any way prepared for the huge majority recorded.

As soon as the first few early returns from scattered precincts throughout the district showed that the Republican nominees were making large gains, the Republican leaders in the district foresaw that their previous estimates of 5,000 would be surpassed.

#### Majorities Grow.

Later returns continued to bulge the Republican majority to large proportions, and it became apparent that the Fifth District would record a Republican majority that may stand as the high water mark for many years. No candidate on a Republican ticket ever was accorded the majority that was conferred on Mr. Morrow, Mr. Ballard and their associates by the voters of the district yesterday.

When Augustus E. Willson was elected governor of the state in 1917 by a majority in excess of 18,000 the Fifth District gave him a majority slightly in excess of 8,000, which was the climax of Republican endeavor in the district.

#### MOORE—ROBISON.

Mr. Lundy Robison and Miss

Flora Belle Moore were married at the home of Judge Mack Cook last Saturday, the Judge performing the ceremony uniting the two.

The bride is a daughter of Mr. Marion Moore of Route No. 2, Hartford, and the groom is a son of Mr. Joe Robison of Beaver Dam.

#### JUDGE J. S. GLENN

##### NEW POSTMASTER

Judge J. S. Glenn was formerly inducted into service as Hartford's Postmaster last Saturday, he having been commissioned some time ago, but by agreement did not take charge until the first of November in order to simplify the making and filing of reports which would have been necessary had he taken charge earlier.

We extend our congratulations to Judge Glenn and bespeak for him a faithful, efficient and accommodating administration of the postal business of the Hartford office. Mrs. R. D. Walker, who has served the patrons of this office for some time in the capacity of assistant, has rendered most efficient and acceptable service and her retention in this position by the new Postmaster will meet with the hearty approval of all who do business through the local office.

Mr. C. C. Taylor, of Maceo, Devless County, has accepted the position of second assistant.

Prof. Ozna Shultz, the retiring, Acting Postmaster has rendered splendid service to the patrons of this office during his regime, and we believe that his conduct of the business has met with the maximum in approval. Personally, we wish to express our thanks and appreciation of the pains-taking and courteous treatment at the hands of Prof. Shultz, his daughter, Miss Sullye and Mrs. Walker.

#### QUARTERLY MEETING.

The first Quarterly Conference for the Hartford charge will be held at Mt. Hermon Saturday and Sunday, Nov. 8th and 9th, 1919. There will be preaching by the Presiding Elder, Rev. L. K. May, Saturday and Sunday at eleven o'clock. The business session will be Saturday afternoon.

All official members are urged to be present. Please be sure and come. Remember the date, Saturday and Sunday Nov. 8th and 9th, 1919. E. WATT SMITH, Pastor.

#### QUARTERLY CONFERENCE AT LIBERTY NOVEMBER 10

The first quarterly conference for the Beaver Dam Charge, M. E. Ch. S., will be held at Liberty, Monday, October 10, at 9 o'clock, A. M., with Rev. L. K. May presiding. Rev. May will preach at Beaver Dam Sunday night instead of at Liberty, as heretofore announced.

## MORROW PLEDGES FEALTY.

The majority shown on the face of returns for the entire Republican ticket registers the will of Kentucky for a better, cleaner, more progressive state government. The overwhelming vote given, rebukes forever bad government in Kentucky and warns alike my party and the Democratic party, that the people of Kentucky propose to be served in faith, honor and with the keeping of promises made to the people.

I thank all Republicans in Kentucky for the splendid efforts put forth for the success of the ticket. I appreciate beyond words the never failing judgment and unswerving devotion of the Hon. A. T. Hert, Republican National Committeeman. No man could have done more—no man could have meant more to the Republican organization, to the rank and file of our party, and no man desires more the good of Kentucky.

The Republican organization headed by Chesley R. Searcy, and his corps of capable assistants, surpassed in efficiency, any organization which has ever been known in the political history of the state.

Without the confidence of Democrats and Independents this victory would have been impossible. I recognize and appreciate the tremendous strength given from these sources.

To every man, to every agency responsible for the results obtained, I renew my promises, that with every power of heart, brain and soul, I will strive only for the good of Kentucky and the welfare of its people.

I will ask at the proper time the help of every man without regard to party lines in the fulfillment of my pledges, to the end that there shall come to the people of this state, the government for which they are hungry, for which they have voted and which they earnestly desire.

EDWIN P. MORROW.

#### WEDDING—LEE.

Mr. Alfred T. Lee, of Nuckols, and Mrs. Minnie Renfrow Wedding, of this place, were married at the home of Dr. and Mrs. T. D. Renfrow, in Cynthiana, Tuesday, October 28, where a reception and dinner was

given in honor of Mr. and Mrs. Lee by Dr. Renfrow, who is a brother of the bride and by Mrs. Renfrow, who is a daughter of Mr. Lee.

Mrs. and Mrs. Lee visited Akron, Ohio, and other points before returning here, where they will make their home.

#### OLD SOLDIER DEAD.

C. H. Lee died Friday night at 6 o'clock at the home of his daughter, Mrs. B. S. Ellis, of Hartford, due to infirmities incident to his advanced age. He was in his eighty-sixth year, and has been ill for several months.

He is survived by two sons, Rufus Lee, of St. Louis, and C. R. Lee, of New Orleans; also two daughters, Mrs. B. S. Ellis, of Hartford and Mrs. W. L. Acton, of this city. The remains arrived on the L. and N. train Saturday at noon and were taken to Elmwood cemetery where a short funeral service was held.

The members of the Rice E. Graves Camp, of which Mr. Lee was a member, attended the funeral and acted as pallbearers.—Owensboro Inquirer.

#### TRAINING SCHOOL FOR HOME NURSING OPENED

Hartford is one of the eight towns in Kentucky conducting classes in home hygiene and dietetics as part of their Red Cross peace program. These classes are under the supervision of the Red Cross department of nursing at the Lake Division headquarters in Cleveland.

Hundreds of girls and women in Kentucky, outside the nursing profession are in this way learning the essentials of home making, home nursing, first aid, dietetics and care of children.

Other cities are to establish classes as soon as a sufficient number of instructors can be obtained.

Raising the standard of national health is the basis of the Red Cross peace program. It is to launch this program of service to Americans that dollar memberships are asked in the Third Red Cross Roll Call, November 2—11.

Mrs. Nanette Wickenden, of Cincinnati, Ohio, is in charge of the class in Hartford, which met yesterday afternoon at 3:30 and again that evening at 7.

#### MARRIAGE LICENSE SINCE LAST REPORT

Iron B. Hatcher, Detroit, Mich., to Erma Louise McConnell, Simmons.

Lundy Robison, Beaver Dam, to Flora Belle Moore, Route 2, Hartford.

Lonnie Daugherty, Balzatown, to Marie Keown, Renfrow.

#### THANKS FRIENDS.

We wish to embrace this method of thanking all of our friends and neighbors who so kindly and graciously rendered assistance in the illness, death and burial of our son, Emmett Thiford, who departed this life, Oct. 28th.

Mr. and Mrs. JOE STEWART, Horse Branch, Ky.

## G. O. P. MAKES CLEAN SWEEP IN KENTUCKY

### 30,000 To 40,000 Majority For Morrow And Ticket.

The victory won in Kentucky, in Tuesday's election was the most sweeping in effect, of any election ever held in the old State. The defeat of four years ago was turned into a victory, conceded by the Courier-Journal to be not less than 30,000 and claimed by Republican Headquarters and yesterday's Louisville Herald by 40,000 majority. The Herald was said to have complete returns from every county in the state, unofficial of course, but complete nevertheless.

Black carried only four districts in the state, these being the 1st, by 7,508; second, by 619; seventh, by 4,778 and the 8th district by 261. Morrow carried the remainder of the districts by majorities as follows: 2nd district by 2,311, 4th by 1,159, 5th district by 9,699, 6th district by 2,945, 9th district by 1,746, 10th district by 10,710 and the 11th by 25,073.

The above report by districts would give Morrow a total of 53,643 and Blacks majorities by districts as 13,466, leaving Morrow's majority at 40,179.

The Republicans elected a majority in the lower house of the Kentucky Legislature, the Democrats holding a bare majority in the senate, or upper house by virtue of the fact that one half of the members of that body are hold-overs. The Republican majority in the lower house will be from 5 to 8.

The Republicans elected their candidate for Governor in Mass., by an overwhelming majority and also made gains in nearly every place where elections were held.

#### ATTENTION SOLDIERS.

Ohio County Post No. 44 American Legion will meet at the court house in Hartford, Ky., November 14, 1919 for the purpose of effecting permanent organization and acceptance of all Ohio County men who were in the World War. Come and help an organization that is working for your good.

Last week, as we were going to press, we received information that Capt. E. L. Barnett had arrived home, which statement was erroneous. Mrs. Barnett informs us that Capt. Barnett will not likely be home under two or three weeks.
